

The community has helped us build it, now please help us

“Deck-It-Out!”

With thanks to individual donors, businesses and foundations – the Cohen Community Deck build is due for completion in November! We are so excited that this important community project has come 90% to fruition and with your support, we know we can meet our final fundraising goals!

Please join us to help sponsor our ramp, railings, deck furniture, heaters and shade canopies as we work together to “deck out” this beautiful community gathering space at the Cohen Center in Hallowell. Participating in Deck-It-Out through one of the below sponsorship levels gives you the opportunity to provide a piece of high-quality, long-lasting furniture or other needed item and have your name, business name, a dedication or memorial posted to the furniture or deck location.

Farmhouse Dining Set

Seating Set

Construction of the Atrium style deck on the centers' east facing-side is supported, ongoing, by corporate partners, private donations and foundations. The structure overlooks bucolic rolling fields, where visitors of the center will enjoy views and fresh air while sharing a meal, socializing with friends, or participating in one of the centers many activity offerings. The deck will include a variety of comfortable, sturdy furniture and shade canopies. The Cohen Deck will increase service capacity at the center and elevate awareness of Spectrum Generations programs, services and activities. In addition, the Cohen Deck, Main Dining Room, and other rooms within the Cohen Center are available to rent for events and activities, raising sustaining funds and resources for Spectrum Generations.

Yes, I/we wish to sponsor a piece of the Cohen Community Center Deck furniture!

Enclosed is a check in the amount of \$ _____

The name of the sponsored piece is: _____
